SIG Annual General Meeting approved all proposals of the Board of Directors

At today's Annual General Meeting, the shareholders of SIG voted in favour of all the Board of Directors' proposals by a large majority.

The AGM approved all proposals including a cash dividend of CHF 0.38 per registered share, to be paid out of capital contribution reserves. The payment of the dividend is scheduled for 16 April 2020.

The AGM also approved the maximum aggregate amount of compensation of the Board of Directors until the 2021 AGM and of the Group Executive Board for the financial year 2021 and, in a non-binding advisory vote, the Compensation Report 2019.

The AGM further re-elected all members of the Board of Directors and of the Compensation Committee and Andreas Umbach as Chairman of the Board of Directors for another year.
